FOUNDATION

## THE AMAZING CHASE

*Get ready for The Amazing Chase, an exciting fundraising event hosted by The Tema Foundation, where community leaders and frontline heroes team up for an adventure through downtown Halifax! Teams will race against time, tackling challenges inspired by real-life situations faced by frontline workers every day.*

*Each team, made up of a community leader and a frontline worker, will navigate tasks that test resilience, teamwork, and problem-solving at iconic locations throughout downtown Halifax.*

*The Amazing Chase is a chance for our community leaders to walk a mile in the shoes of those who keep us safe and healthy and to raise funds that will directly benefit programs for frontline workers and first responders.*

*As the teams work their way through each task, they'll be moving closer to the grand finish line where we will celebrate, unite participants, and bring everyone together in the spirit of camaraderie and in support of frontline mental health programs.*

*Join us, donate, cheer, and make a difference at The Amazing Chase!*
